COUTA PUSH-FIT FITTINGS

Couta Push-fit fittings enable you to quickly plumb an entire home without any special tools or training.

Push-fit fittings offer a professional and convenient solution for connecting Multilayer & PE-XB piping systems.

Dual-Seal O-Rings

Couta PUSH-FIT fittings are designed to prevent leaks with Dual-Seal internal O-Rings create a secure seal away from external pipe damage. Made from EPDM material it provides a better leak-resistant seal due to its separation from the outer Grip-Ring, which is a risk in other systems.

Grip-Ring

Couta PUSH-FIT fittings have a toothed, angled, outer Grip-Ring made from 316 stainless steel, to allow a pipe to push through but not pull out.

High Quality Materials

Made from Lead-Free materials with Stainless Steel grab rings, brass main bodies, clear PPSU collets help to visually confirm full pipe insertion and PPSU outer shells which are all stronger and more durable.

Warranty

With a warranty of 25 years, and a design life of over 50 years, Couta PUSH-FIT fittings offers you peace of mind and the simplicity that you want.

Ease of Installation

PUSH-FIT Fittings enable you to plumb an entire home without any special tools making installations faster, easier and efficient.

Use Couta PUSH-FIT Fittings and save time and money on your next project.

WHY CHOOSE COUTA PUSH-FIT FITTINGS?

Lead-free materials for healthier home water supply

Angled outer Grip-Ring made from 316 Stainless Steel

Dual-Seal O-Ring made from EPDM for better sealing performance

Internal O-Ring Seal is separate from the outer Grip-Ring

Transparent inspection collet to check insertion depth of pipe

Hygienic safe for use in drinking water supply

Corrosion-resistant and heatproof materials

No tools, training, or extra labour costs required

COUTA PUSH-FIT FITTINGS RANGE

PUSH-FIT FITTINGS	Diameter (DN)	Product Code
Straight Coupling 	16 x 16mm	PUSHSC-16
	20 x 20mm	PUSHSC-20
Equal Elbow 90° 	16 x 16mm	PUSHE-16
	20 x 20mm	PUSHE-20
Reducing Coupling 	20 x 16mm	PUSHR-2016
Equal Tee 	16 x 16 x 16	PUSHT-16
	20 x 20 x 20	PUSHT-20
Reducing Tee 	20 x 16 x 16	PUSHTR-201616
	20 x 16 x 20	PUSHTR-201620
	20 x 20 x 16	PUSHTR-202016
End Cap 	16mm	PUSHEC-16
	20mm	PUSHEC-20
